

## VOS GETS NEW LOOK!!

### OUT WITH THE OLD, IN WITH THE NEW!

As we are well into 2007, we felt it was time to give VOS a new look - something a little more edgy while still representative of what it is that VOS does. After 4 months of reviewing several logo designs from different designers, we are pleased to introduce our new look to our members. The new look has been created by John Pinter of John Pinter Design. We are trying to take a more modern approach to all of our advertising and that encompasses creating a brand effect where all of our pieces have cohesive elements - including our ads, season brochure, posters, rack cards, newsletter and our website. We hope you all like the new look for VOS!

# SCENE IN PASSING

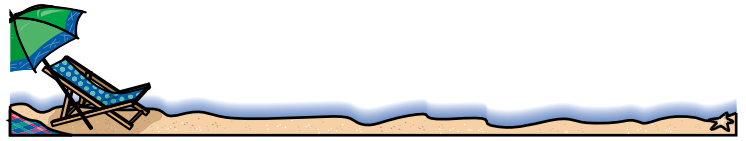

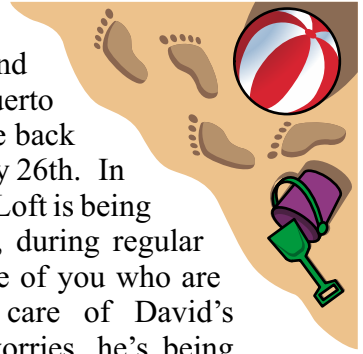

Seems like everyone is going south this time of year. Although, having moved here from Ontario in the summer, I'm not quite sure what it is you are escaping. As I sit and write this, it's sunny and 10 degrees in Victoria and in Toronto, Ontario its overcast, -13 degrees with a windchill of -23 degrees!! For me this is

heaven! But **David Brillinger, Diane Murton, and Alan and Pete McKenzie** decided to hit the beach anyway! The 4 of them headed to Mexico for a week. Diane, Alan and Pete returned after a week, but David stopped off to visit Mickey. I called David yesterday, but he was on Space Mountain and couldn't take the call Go figure!!

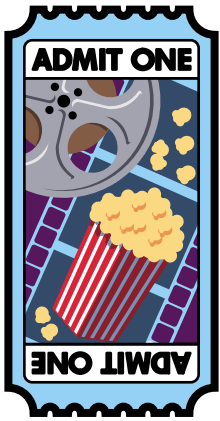

**David Hardwick** also felt the need to flee the winter and is now sunning himself in Puerto Vallarta, Mexico. He will be back at VOS on Monday February 26th. In the meantime, the Costume Loft is being manned by Tammy Simon, during regular office hours. And for those of you who are wondering who's taking care of David's beloved puppy, have no worries, he's being properly spoiled by **Jenn Lefler**, and loving every minute of it!!

## *La Cage aux folles* at the Movies

What a great turn out we had for our first Movie Night of '07! There were almost 30 people in attendance and a great time was had by all. Thank you to **Patrick Heath** for organizing the event and making sure the equipment and snacks were all in place! Thanks also to **Tammy Simon** for contacting as many of the cast members as possible to make sure they knew of the event. Some cast members were able to attend, including **Bruce Lowden** who flew in from Palm Springs with three friends just to see the movie! And instead of promptly returning to Palm Springs, Bruce fell the next day, broke his wrist and his staying home in Victoria for a while.
