PATRICK HEATH President

Business Analyst by day, VOS President by night sounds like the latest Super Hero from the Saturday morning cartoons, but he's just an ordinary person like all the rest of us!!!

Born and raised in Northern Alberta, Patrick's stage experience began with school Christmas concerts, as a sled dog in 'The Cremation of Sam McGee' and as George in 'St. George and the Dragon'. He attended the University of Alberta, graduating with a degree in Computing Science, then moved to Fort McMurray. A friend urged him to audition for a local production of 'Cabaret', in which he made his opening scene entrance looking more like a Pillsbury Chippendale's dancer than a bartender. Needless to say, he was hooked!!!

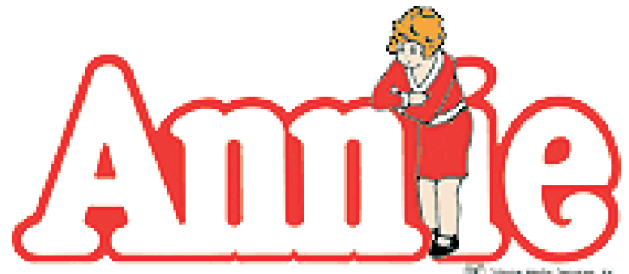

Eventually, Patrick got his directions straight and moved from the Great White North to the balmy coast of BC. Again, a friend urged him to audition for a local production of 'South Pacific', and so his involvement with VOS began.

Since 1993, Patrick has appeared onstage in numerous VOS productions including My Fair Lady, Joseph and the Amazing Technicolor Dreamcoat, and Beauty and the Beast. He has also been involved behind the scenes with set construction and painting, body mics, running crew and as producer. He has been a member of the Executive since 2005, holding the positions of Member at Large, Vice President and now President.

To pay the bills, Patrick is a Business Analyst with the Provincial Government. In his spare time, he enjoys gardening, food (both preparing and consuming) and travelling. Patrick sings with the Arbutus Singers (keep June 11/12 free) and is a volunteer with the Spirit of Christmas Dinner Society, portraying the fat guy in the red suit each year.
