They inadvertently bring Crimson and Seaweed back to the present where they have amusing confrontations. In trying to get Crimson and Seaweed back to their own time, they end up in Ancient Egypt and come across King Tut. The kids then accidentally bring back some Ancient Egyptians to modern times. What will happen if Mom gets home to find Ancient Egyptians jumping up and down on her sofa? What will Dad do if he finds pirates trying to flatten out his globe? Will the kids be able to use the magic pebble to fix this mess?
