

## 9 to 5 Audition Sides - DORALEE AND DWAYNE

---

**DORALEE**

I'm as nice as I know how to be down at that office and everyone still treats me like the bastard as the family reunion.

**DWAYNE**

Forget all about them, honey.

**DORALEE**

But Dwayne, it hurts my feelings. They all seem to be judgin' me on how I look.

**DWAYNE**

I think you look real good. If they weren't a bunch of women, I'd go down there and punch 'em all out for you.

**DORALEE**

You would wouldn't you?

**DWAYNE**

Course I would, you're my girl. You go down there tomorrow and shoe 'em what a great gal you are. Remember, Texans never quit.
