

Monterey Musical Theatre Hootenanny 2018

Fun People Wanted!

The Monterey Note-Ables are recruiting people who like to sing and entertain. We had so much fun in the fall with our musical revue, Hootenanny, that we are going to mix it up and do it again this spring for MRC members, friends and the community. We're singing popular folk songs from the 1960s linked with a narrative that looks back at events of that decade.

Practices are Sundays, 1:00 to 3:30 pm, starting the beginning of February. We rehearse at the Monterey Recreation Centre in Oak Bay (1442 Monterey Avenue). There is no audition for cast but mobility is required. A Monterey Recreation Centre membership, \$45 annually, is also required. (*google Monterey Recreation Centre*)

Who are we? The Note-Ables are a group of older adults (age 50+) who like to sing, entertain and have fun. We've been doing musical theatre at the Monterey Recreation Centre for over 20 years.
